Dear Harold,

Since you are the expert on the matter I am writing you this letter for some information. I am very desirous of obtaining any/all files the FBI and/or C.I.A. probably have about me. I'm sure they have them on me. Could you kindly inform me (since I'm totally ignorant about it) as to, in detail, to whom and to what address, etc, I should address my letter to? And also, could you kindly let me know some idea of what I should say in my letter to them? I would greatly appreciate this info very much, if you would be so kind to write me a letter with this info.

Thanks much, Harold.

P.S. Did you ever obtain files on yourself, if any? I know some researchers have already.

Thanks again.
